Christian Growth & Education

CHILDREN'S MINISTRY

The Children's Activity bags will remain as take-home bags! Currently, the bags contain several coloring & activity sheets that correlate with the Pastor's message each week. On certain holidays, there will be extra craft activities to do during the week. The bags will no longer contain crayons, or books. These items will be in baskets next to where the children pick up the bags. After the church service, we kindly ask that the crayons, & books, etc., be returned to the baskets for the next week. It is our hope & desire that these activities will provide ongoing learning during the week, and that our young children at Immanuel will come to know the great love, joy and peace that Jesus has for them. Thank you, The Board of Christian Growth & Education

Stewardship Notes for September 18, 2022

Luke 16:8

"For the sons of this world are more shrewd in dealing with their own generation than the sons of light." The sons of this world know that they should use their wealth wisely to provide for their future. Shouldn't we, as "sons of light," know that the wealth God has allowed us to manage should be managed for God's purposes in roles He has given us to play in Church, home, and society?
