Family Devotion Challenge

We would like to encourage all our families to have some kind of family devotions. Devotional time is essential in growing your faith in God. The challenge is to start with one time a week as a family to spend time around God's word. A weekly devotion is available in the children's activity bags, and on the counter near the bulletins. The devotions selected will take less than 10 minutes. This time together as a family is a great way to teach your children about God's word. It may become the most meaningful part of your families day. This month the challenge will be to increase your devotional time to 3 or more times a week. We hope this will help you to create a daily meaningful time as a family around God's Word. For those families that accept the challenge and achieve doing family devotions three or more times a week, we will have a special gift for you! Go. Immanuel!!

Evangelism & Stewardship

Stewardship Notes for April 9, 2023

John 20:16

"Jesus said to her, 'Mary.'" Jesus is risen from the dead, is the Victor over sin, and even calls us by name. He still calls us His friends and brothers and means to bring us through death to join Him in His resurrection.
Christ is risen, He is risen indeed!
