Family Devotion Challenge

We would like to encourage all our families to have some kind of family devotions. Devotional time is essential in growing your faith in God. The challenge is to start with one time a week as a family to spend time around God's word. A weekly devotion is available in the children's activity bags, and on the counter near the bulletins. The devotions selected will take less than 10 minutes. This time together as a family is a great way to teach your children about God's word. It may become the most meaningful part of your families day. This month the challenge will be to increase your devotional time to 3 or more times a week. We hope this will help you to create a daily meaningful time as a family around God's Word. For those families that accept the challenge and achieve doing family devotions three or more times a week, we will have a special gift for you! Go. Immanuel!!

Stewardship Notes for April 16, 2023

1 Peter 1:3-4

"He has caused us to be born again to a living hope through the resurrection of Jesus Christ from the dead, to an inheritance that is imperishable, undefiled, and unfading, kept in heaven for you." We have an inheritance waiting for us, a treasure gathered where moth and rust do not destroy. That should change our perspective on the treasures of this earth. They are fleeting. They come and go. But we can use the treasures of this earth for the work of the kingdom that will not fade away.
