

TECHNOLOGY COMMITTEE

GOAL!

\$30,000 Goal

\$15,000

The Congregation voted to approve screens for the Sanctuary. The project will cost an estimated \$30,000 for a professional install.

Church Council is designating \$15,000 from the tax credit funds towards this project and are asking the congregation to raise the balance of funds.

THE LEGACY

CALL COMMITTEE

The Call Committee has completed Zoom interviews with the 4 pastors on our final list, and we are ready to have pre-call visits with two candidates:

Pastor Ben Dolby
All Saints Lutheran Church
Bellevue, WA

Pastor Andy Pronsati
Peace Lutheran Church
Ann Arbor, MI

We hope to have these visits the weeks of September 11th and September 18th.

Because of the pastors' schedules and distances involved, we may find it necessary to have these visits virtually.

We are now asking the congregation to get involved!

Please google the pastors, draft your questions and mark your calendars. Your participation is not only important, it is VITAL to this process!

The Call Committee will be available for questions after each service 9/3 and 9/10.

"Let us not become weary...for at the proper time we will reap a harvest if we do not give up." Galatians 6:9

Father, keep us from getting weary in our quest for a servant of the Word. Strengthen us, guide us, and help us discern your will, and reap the harvest as we work toward our goals. Lead us in the way we should go so that we can bring glory to your holy name. In the name of Jesus we pray, Amen.

BUILDING EXPANSION COMMITTEE

NEW SCHOOL CAPITAL CAMPAIGN

And without faith it is impossible to please him, for whoever would draw near to God must believe that he exists and that he rewards those who seek him.
Hebrews 11:6

Our church is blessed with a growing and thriving school ministry that serves over 260+ students from preschool to eighth grade. Our school provides a Christ-centered education that prepares our students for academic excellence, spiritual growth, and service to God and others.

However, our current facilities are no longer adequate to meet the needs and demands of our school. Therefore, on 14 August the congregation approved a bold and visionary plan to build a new elementary school.

To make this vision a reality, we need your help and support. We are launching a Capital Campaign to raise funds from our supporters that can be used in lieu of a portion of a loan, down payment, or collateral for a loan.

Either of these will reduce the interest rate and monthly payments of the loan. It can also demonstrate our financial viability and commitment to the potential lender. Our goal is to raise \$1 million by 1 May 2024 through pledges, donations, grants, events, and other sources.

To begin this effort, we invite you to attend a Capital Campaign Brainstorming Session on Thursday, 31 August from 6:30-8:00 PM in the Youth Room. This session will: communicate campaign goals and plans; solicit feedback and input for the campaign; identify action items; and recruit volunteers and leaders.

Please sign up for this event in the church breezeway or school office and provide your email by Tuesday, 29 August. We will email a read ahead package before Thursday.

Thank you for your prayers and support of our church and school. Your Brother in Christ, Scott Wilcox

Triune God, we thank You for your blessing of our church and school ministry. We thank You for the opportunity to serve You and our community through education. We ask You to guide us and help us as we embark on this capital campaign to build a new elementary school. We pray that You will provide us with the resources, the wisdom, and the courage to accomplish this vision. We pray that You would stir up the hearts of our supporters to give generously and joyfully for this project. We pray that You will protect us from any obstacles or opposition that may arise. We pray that You will be glorified in everything we do, and that Your name would be honored in our church and school. We pray all these things in Jesus' name, Amen.
